

Personal Bosch ID Creation

Please follow step 1 and 2 below to create a new personal Bosch ID:

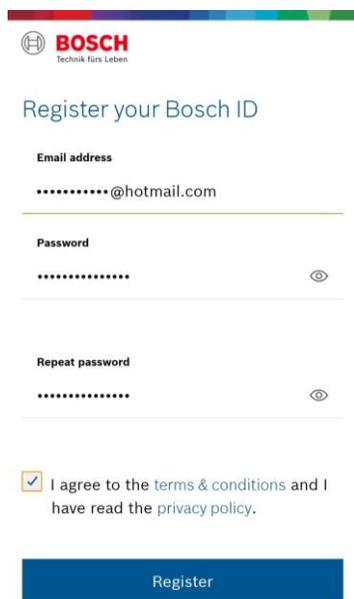

Step 1: Create a new Bosch ID

- On the Bosch Login screen, press 'Not registered yet' to start the registration process:

The screenshot shows the Bosch Login screen. At the top is the Bosch logo with the tagline 'Technik fürs Leben'. Below it is the text 'Login with your Bosch ID'. There are two input fields: 'Email address' and 'Password'. Below the password field is a 'Stay logged in' checkbox. A blue 'Login' button is positioned below the input fields. At the bottom, there are two links: 'Not registered yet? >' (circled in red) and 'Forgot password >'.

- Fill in your preferred email address and password, agree with the terms & conditions and press 'Register':

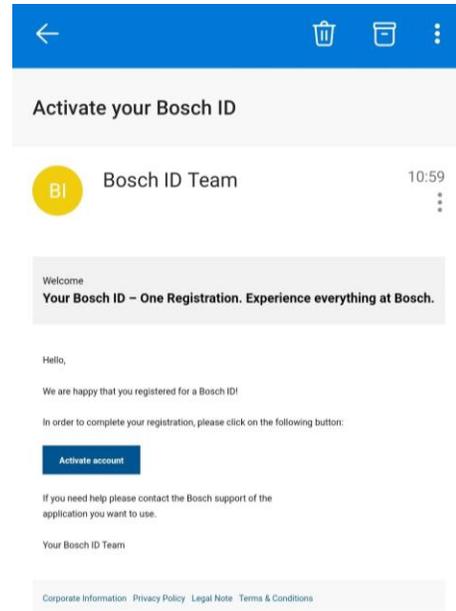

The screenshot shows the Bosch Register screen. At the top is the Bosch logo with the tagline 'Technik fürs Leben'. Below it is the text 'Register your Bosch ID'. There are three input fields: 'Email address' (with a sample '@hotmail.com'), 'Password', and 'Repeat password'. Below the password fields is a checkbox with the text 'I agree to the terms & conditions and I have read the privacy policy.' A blue 'Register' button is at the bottom.

- You will now receive an email to activate your new personal Bosch ID

Step 2: Activate your new personal Bosch ID and log in with your credentials

- Activate your new personal Bosch ID account through the received email:

- Log in with your new personal Bosch ID inside the EasyControl app

The registration process is now complete!
