 **Trustpilot**
Our customers rate us excellent

Top value performance

This Quiet Mark certified, affordable combi boiler is designed to slot seamlessly into your kitchen or utility. The Greenstar 2000 is a sleek and super efficient workhorse that's loved by installers and will keep your heating and hot water running reliably all year round.

Why choose the Greenstar 2000?

Guaranteed
Peace of mind for 7 years*

Quiet Mark
47 decibels quiet, certified

Bosch quality
Great design at a lower price

QuickTap
No more wasting water waiting for it to heat up

Energy saving
A-Rated, impressive efficiency saves on your bills

Planet packaging
Packaging that's great for your home and the environment

All under control

Set the temperature and our clever controls do the rest – making your home heating more efficient and responsive to the weather. Your controls guarantee matches the boiler if installed at the same time*.

Take control and view our controls.
